

Applebee's® Offers 75 Pick 'N Pair® Lunch Options

Variety, Value and Fresh New Flavors Featured on Applebee's Popular Lunch Menu

KANSAS CITY, Mo.--Applebee's Pick 'N Pair lunch menu, featuring freshly prepared sandwich, salad and soup options, makes *where* to go for lunch an easy decision. But with 75 possible Pick 'N Pair combinations, the difficult question may be *what* to order for lunch.

"With 75 different combinations, you can literally eat lunch at Applebee's every work day for nearly three months and enjoy a different combination each time – all at a great value," said Becky Johnson, senior vice president of culinary and marketing for Applebee's. "So step away from your computer, ditch the brown bag and the drive-thru lane. You work hard all day – let us make lunch easy."

Recent additions to Applebee's popular lunch menu will only make reclaiming the lunch hour more appetizing:

- **NEW Fried Green Tomato & Turkey Club** – Shaved turkey breast served warm on toasted nine-grain bread with melted cheddar cheese, basil pesto mayo, Applewood smoked bacon and grilled onions. Slices of southern-fried green tomatoes give it an extra crunch.
- **NEW Roast Beef, Bacon & Mushroom Melt** – A hot roast beef sandwich with grilled onions, Applewood smoked bacon and sautéed red wine mushrooms, all served on thick-sliced bread with melted Swiss cheese.
- **NEW Fiesta Chicken Chopped Salad** – Applebee's chopped salad takes on a Southwest spin. Chopped lettuce tossed with black bean corn salsa, roasted red peppers and onions, tortilla strips, white cheddar and spicy jalapeno dressing, mounded nicely with chimichurri glazed grilled chicken.
