## Taste It, Believe It with NEW! Zesty Roma Chicken & Shrimp and NEW! Lemon Parmesan Shrimp; New Entrees Added to Unbelievably Great-Tasting & Under 550 Calories™ Menu

KANSAS CITY, Mo.-- Getting great-tasting, satisfying food with fewer calories is easier than ever with NEW! **Unbelievably Great Tasting & Under 550 Calories menu** items at **Applebee's**, America's favorite neighborhood grill and bar.

Packed with two proteins, real parmesan cheese, crispy red potatoes and a bold red sauce with a kick, you may wonder how Applebee's NEW! **Zesty Roma Chicken & Shrimp** could deliver this much deliciousness without giving something up. But at Under 550 calories, new entrees like the NEW! **Lemon Parmesan Shrimp** are engineered to deliver all the taste without the trade-offs.

“The secret is how we get to those bold flavors and big portions,” said Jessica James, Applebee's Executive Chef. “By using citrus oils to add fresh flavors instead of calories, and steaming our potatoes before frying, our new menu fills you up with great-tasting food, minus the guilt.”

Applebee's is changing the perception of lower-calorie food one bite at a time. In addition to the Zesty Roma Chicken & Shrimp and Lemon Parmesan Shrimp, Applebee's “Unbelievably Great-Tasting Choices” menu includes the **Napa Chicken & Portobellos**, the **Roasted Garlic Sirloin**, the **Signature Sirloin with Garlic Herb Shrimp** and other great-tasting, large portion favorites with fewer than 550 calories.
