Applebee's and The Mission Continues to Promote Veteran-Led Service Platoons Nationwide;

Thank You Movement Ambassador Gavin DeGraw to Perform in "Most Thankful Neighborhood"

KANSAS CITY, Mo. -- Building on **Applebee's Neighborhood Grill & Bar®**'s annual tradition of serving free meals to current and former servicemembers on Veterans Day, Applebee's today announced a partnership with the veterans service organization **The Mission Continues** to promote veteran-led community service year-round in neighborhoods throughout the country.

Additionally, Applebee's today named multi-platinum recording artist **Gavin DeGraw** the 2013 Voice of the Applebee's Thank You Movement, the nation's largest ongoing military appreciation effort, and announced plans for a concert featuring Gavin DeGraw in America's "**Most Thankful Neighborhood.**"

"We owe so much to our servicemembers, and we're honored to show our gratitude by serving free meals to our military heroes every year on Veterans Day," said Applebee's President Mike Archer. "By partnering with The Mission Continues, we look forward to connecting the newest generation of veterans with our Guests and Team Members to continue their service and make a meaningful impact in our neighborhoods throughout the country every day."

Applebee's Thank You Movement

Since creating the Thank You Movement in 2011 to collect messages of appreciation for each of the 24 million current and former members of our Armed Forces, Applebee's has received more than 4.5 million personal Thank You messages through the Thank You Movement website: www.thankyoumovement.com.

This year, Gavin DeGraw, a platinum singer-songwriter, lends his song, "Soldier," to national advertising in support of the Applebee's Thank You Movement.

"I'm happy to be part of the Applebee's Thank You Movement and extend my thanks to our servicemembers for all they have done," said Gavin DeGraw. "They are the definition of selflessness, dedication, devotion and sacrifice. Please join me in thanking our heroes by sending a 'Thank You' message."

Visitors to the Thank You Movement website will be directed to their local Applebee's Facebook page, where personal Thank You messages will be tallied by neighborhood and tracked in real time on the Thank You Movement website. On Veterans Day, the Applebee's community with the most Thank You messages will be declared the Most Thankful Neighborhood and win a concert for veterans from Gavin DeGraw in their city. Guests can also submit Thank You messages by using the hashtag #ThankYouMovement on www.facebook.com/applebees, [@applebees](https://twitter.com/applebees) on Twitter or on Instagram and YouTube.
