KANSAS CITY, Mo. -- Tournament time is here! What's better than watching your favorite teams alongside your favorite food and drinks? Applebee's Fan Zone is the perfect place for every fan. Check out what our fans loved about last year's tournament.

No matter how fans watch the game—one eye open, loud and proud, quiet and pensive or high fives all around—Applebee's, America's largest casual-dining chain, is the place for everyone to cheer on their team.
